

List of Participants

United States of America

L. D. MCGINNIS	Department of Geology, Northern Illinois University
M. D. TURNER	Division of Polar Programs, National Science Foundation
J. B. BODKIN	Mineral Constitution Laboratories Pennsylvania State University
G. J. BUCHER	Department of Geology, University of Wyoming
K. CARTWRIGHT	Illinois State Geological Survey
E. DECKER	Department of Geology, University of Wyoming
D. P. ELSTON	U. S. Geological Survey, Arizona
S. S. GOLDICH	U. S. Geological Survey, Denver
H. J. H. HARRIS	Illinois State Geological Survey
P. R. KYLE	Institute of Polar Studies, Ohio State University
H. Y. LING	Department of Oceanography, University of Washington
S. C. PORTER	Quaternary Research Center, University of Washington
R. D. POWELL	Institute of Polar Studies, Ohio State University
J. S. STUCKLESS	U. S. Geological Survey, Denver
M. STUIVER	Quaternary Research Center, University of Washington
S. B. TREVES	Department of Geology, University of Nebraska
F. C. UGOLINI	College of Forest Resources, University of Washington
P. N. WEBB	Department of Geology, Northern Illinois University
H. K. Wong	Geologisch-Poläontologisches Institut, Universität Hamburg
J. H. WRENN	Department of Geology, Louisiana State University

New Zealand

R. B. THOMSON	Antarctic Division, Department of Scientific and Industrial Research
M. CHAPMAN-SMITH	Antarctic Division, Department of Scientific and Industrial Research
D. A. CHRISTOFFEL	Physics Department, Victoria University of Wellington

R. H. CLARK	Department of Geology, Victoria University of Wellington
C. H. HENDY	Chemistry Department, University of Waikato
<i>Australia</i>	
H. T. BRADY	School of Biological Sciences, Macquarie University
B. McKELVEY	Department of Geology, University of New England
<i>Japan</i>	
T. NAGATA	National Institute of Polar Research
K. HORIUCHI	Department of Chemistry, Tokyo Metropolitan University
K. KAMINUMA	National Institute of Polar Research
K. KATO	Water Research Institute, Nagoya University
A. KOGA	Institute of Balneology, Kyushu University
H. KURASAWA	Geological Survey of Japan
K. KUSUNOKI	National Institute of Polar Research
G. MATSUMOTO	Department of Chemistry, Tokyo Metropolitan University
K. MORIWAKI	National Institute of Polar Research
Y. MURAKAMI	Department of Chemistry, Tokyo Metropolitan University
N. NAKAI	Department of Earth Sciences, Nagoya University
K. NAKAO	Department of Geophysics, Hokkaido University
S. NAKAYA	Department of Chemistry, Hokkaido University
M. NISHIMURA	Department of Chemistry, Hokkaido University
T. NISHIYAMA	Department of Mineral Science and Technology, Kyoto University
T. TORII	Chiba Institute of Technology
K. WATANUKI	College of General Education, University of Tokyo
N. YAMAGATA	The Institute of Public Health
Y. YOSHIDA	National Institute of Polar Research
Y. YUSA	Geophysical Research Station, Kyoto University

DVDP SEMINAR-III TOKYO, 5-10, June, 1978

Front row: Miss K. HASHIMOTO; Mrs. CHAPMAN-SMITH; Mrs. TURNER; Mrs. THOMSON; M. D. TURNER; R. B. THOMSON; T. NAGATA; L. D. MCGINNIS; T. TORII; P. N. WEBB; R. H. CLARK; B. MCKELVEY.

Second row: K. MORIWAKI; M. CHAPMAN-SMITH; K. SHIRAISHI; Y. YOSHIDA; H. Y. LING; Miss M. TATSUZAWA; Miss K. HORIUCHI; K. KAMINUMA; D. P. ELSTON; K. WATANUKI; T. MATSUDA; N. NAKAI.

Third row: S. B. TREVES; M. FUNAKI; K. CARTWRIGHT; H. MURAYAMA; S. S. GOLDBICH; J. H. WRENN; F. C. UGOLINI; M. STUIVER; S. NAKAYA; H. KURASAWA; D. A. CHRISTOFFEL; C. H. HENDY.

Fourth row: H. SHIBANO; H. J. H. HARRIS; K. YANAI; J. S. STUCKLESS; J. B. BODKIN; S. C. PORTER; P. R. KYLE; G. MATSUMOTO; H. T. BRADY; K. KUSUNOKI; R. D. POWELL.
